SIR:

FILING OF FORMAL DRAWINGS

A Notice regarding drawings dated August 26, 2005, was received from which it might be surmised that the formal drawings were not received by the Patent Office. On the other hand, the Notice of Allowability dated 05/09/2005 states that the drawings filed on November 20, 2000, were accepted by the Examiner.

It is strongly suspected that both formal and informal drawings are in the PTO files, but the wrong set of drawings was reviewed.

Mr. Tyrone Johnson (703-305-0333, Ext. 130), who is the person identified in the Notice, was called on or about the time the Notice regarding drawings was received by the undersigned. A request was left on voice mail for a callback, but no such call was received. A second call was attempted but without success.

In light of the time urgency, enclosed is another set of the formal drawings in the above-identified case. The undersigned has reviewed these drawings and has found them to be compliance with the Rules. However, if the Examiner finds a problem, the undersigned respectfully requests a phone call in order to expeditiously resolve the matter.

Respectfully,
Evangelos Geraniotis
Mohamed M. Khairy
